

NTP # 2015-8 2015-6-26

To avoid any possible problems stemming from the planned industry-wide “leap second” on June 30, 2015, Cantor Exchange will delay the start of trading on the evening of June 30 to begin at 10pm ET (instead of the usual time of 6:30pm ET) for the July 1 trading business day.

Please let us know if you have any questions regarding this.
